Brethren of Eastern District:

It is both a great honour and a profound privilege to serve as District Deputy Grand Master. I am deeply grateful for the trust and confidence placed in me, and I look forward to working alongside the Brethren of Eastern District as we continue to strengthen our Lodges and uphold the principles of our Craft.

As I begin this journey, I have chosen **"Relevance"** as my theme for the year. This theme is rooted in a simple but important question: How do we ensure that the teachings, values, and traditions of Freemasonry remain meaningful and impactful in the lives of today's Masons and within the communities we serve?

Freemasonry has endured for centuries because its principles are timeless. Brotherly Love, Relief, and Truth are as important today as they were to the generations of Masons who came before us. Yet, while our principles remain constant, the world around us continues to evolve. Relevance is not about changing who we are; rather, it is about demonstrating the enduring value of our teachings in a modern world and ensuring that our Lodges continue to be places of fellowship, personal growth, service, and purpose.

Throughout the year, I encourage each of us to reflect on how we can make Freemasonry more relevant in our own lives, in our Lodges, and in our communities. Whether through meaningful degree work, mentoring newer Brethren, supporting charitable initiatives, strengthening fellowship, or simply being visible examples of Masonic values, each of us has a role to play.

I look forward to visiting the Lodges throughout the District, meeting with Brethren, sharing in your successes, and learning from your experiences. Together, we can build upon the strong foundation laid by those who came before us while ensuring that Freemasonry remains vibrant, respected, and relevant for generations to come.

Thank you for the warm welcome and support I have already received. I am excited for the year ahead and look forward to sharing it with all of you.

Fraternally,
R.W. Bro. Dave Wylie
